FAIRLINE PHANTOM 40 NORTH STAR

GBP 189,950 INC TAX

MAIN CHARACTERISTICS

Year: 2004

Hull Colours: White

Lying: Eastbourne, UK

Engine(s): 2 x 370 HP Diesel Volvo TAMD 63P

Hours: 424

Length: 12.53 m / 41' 1"

Beam: 3.950 m / 12' 12"

Draft: 1.000 m / 3' 3"

Weight: 20 tons

Fuel Capacity: 996 litres / 219 gallons

Water Capacity: 450 litres / 99 gallons

Accommodation: 6 berths in 2 cabins

STANDARD SPECIFICATION

HULLFORM AND CONSTRUCTION

All gel coat and glass fibre hand laid with unidirectional, biaxial and woven rovings

Antifouling protection to hull

Deep 'V' forward; 18° deadrise aft

Designed by Bernard Olesinski and the Fairline design team

Full length moulded spray deflectors

Hull/deck join bolted and bonded

Integrally moulded engine bearers

Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat

The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation

The integral bathing platform gives the boat a longer waterline length for improved performance, particularly at reduced power settings. The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draught and improving efficiency by reducing the shaft angle.

Transverse and longitudinal strengthening stringers throughout hull

DECK

Anchor chain locker

Anchor winch controls

Anchor winch (electric)

Calibrated anchor chain

Concealed telescopic swim ladder to bathing platform

External covers to windscreen

Full set of IMCO navigation lights

Hot and cold water transom shower

Moulded non-slip deck surface

Pantograph windscreen wipers

Recessed self-draining area on foredeck for coachroof sun cushions

Riding light

Rubbing strake

Self-stowing Delta® anchor

Stainless steel bow fairlead(s)

Stainless steel bow, spring and stern cleats

Stainless steel grab rail(s) on each transom wing

Stainless steel handrails

Stainless steel pulpit

Stainless steel pushpit

Stainless steel stemhead roller

Teak-laid bathing platform

Toughened glass curved windscreen

Transom gate from cockpit to integral bathing platform

Twin horns

Water filler(s)

Windscreen washers

FLYBRIDGE AND SECOND HELM POSITION

12v heavy duty weatherproof socket

Access hatch

Adjustable bolstered helm seating

Adjustable/tilt steering wheel

Bilge pump warning lights and audible alarms

Chaise-longue seat

Companion seating to helm

Drinks holders

Echosounder and speedometer/distance log repeater(s) with sea

water temperature read out

Electronic single-lever throttle and gear controls for port and starboard engines

Furniture covers

Helm position indicator

High speed magnetic compass

Instrument covers

Moulded non-slip deck surface

Remote anchor winch controls

Repeat flybridge engine instrumentation, controls and electronics

Remote control searchlight with controls at both helm stations

Stainless steel handrails

Teak-laid oversize flybridge steps

Trim tab controls

Upholstered seating area with table, convertible to cushioned sunbathing area

VHF radio telephone incorporating intercom

Wind-deflecting screen with grab rail

AFT COCKPIT/TRANSOM

12v heavy duty weatherproof socket

Access hatch to engine room and lazarette

Aft cockpit enclosure covers

Cushioned rear seating with access to stowage locker and gas locker

Cockpit lights

Engine bay access hatch with stainless steel ram

Manual bilge pump(s)

Stainless steel-framed sliding door to main saloon

Teak-laid floor throughout self-draining cockpit

Warp lockers

MAIN HELM POSITION

12v socket

Adjustable/tilt steering wheel

Bilge pump switches with integral operating warning lights and audible alarms

Bolstered helm seat(s)

Chart stowage

Chart table and light

Control panel for 12v/240v domestic electrical circuits

Controls for engine bay fi re extinguisher system

Echosounder and speedometer/distance log repeater(s) with sea water temperature read out

Electronic single-lever throttle and gear controls for port and starboard engines

Fuel gauges

Full engine instrumentation including; tachometers, oil pressure gauges, temperature gauges, battery condition indicators, audible alarms and engine hour meters

Helm position indicator

High speed magnetic compass

Hydraulic steering

Madrona finish instrument panel

Opening side window (manual)

Red night-light illumination to helm

Remote anchor winch controls

Searchlight controls

Switches for navigation and riding lights, windscreen wipers and

engine bay extractor fans

Teak and holly floor

Trim tab controls

VHF radio telephone incorporating intercom

MAIN SALOON

Access to engine bay

Aerial and connections for television

CD/radio

Cocktail cabinet

Cocktail table converts to dining table with additional stools

Full-height standing headroom

Halogen ceiling lights

Handrail

LCD TV

Sideboard to port with optional refrigerator or icemaker

Sofa

GALLEY

Crockery stowage

Extractor fan

Foundations® work surface with covers

Halogen ceiling lights

Integrated waste bin

Lacquered cupboard doors

Recessed 2-burner gas hob, oven and grill

Refrigerator/freezer with automatic 12v/240v changeover

Sink with hot and cold mixer tap

Teak and

holly floor

Underfloor stowage hold or optional freezer

Work surface lights

MASTER CABIN

Access to en suite bathroom

Bedside stowage

Drawer(s) under bed

Full-height standing headroom

Halogen ceiling lights

Large hatch with flyscreen and concealed blinds to foredeck

Mirror

Oversized double bed

Reading lights

Stainless steel opening porthole(s) with flyscreen

Upholstered bedhead

Wardrobe(s)

MASTER EN SUITE BATHROOM

220v/240v shaving point

Automatic shower tray pump-out system

Electric silent-flush freshwater toilet

Extractor fan

Foundations® or Avonite® vanity unit locker and basin with hot and

cold pressurised water

Full set of bathroom fittings

Full standing height circular shower with rotating screen

Halogen ceiling lights

Mirror

Stainless steel opening porthole(s) with flyscreen

STARBOARD GUEST CABIN

Access to AC/DC distribution panel

Access to en suite bathroom

Bedside stowage

Full length berths x 2

Halogen ceiling lights

Lockers (mid-level)

Mirror

Reading lights

Stainless steel opening porthole(s) with flyscreen

Wardrobe(s)

SHOWER/WC COMPARTMENT

220v/240v shaving point

Automatic shower tray pump-out system

Electric silent-flush freshwater toilet

Extractor fan

Foundations® or Avonite® vanity unit locker and basin with hot and cold pressurised water

Full set of bathroom fittings

Full standing height circular shower with rotating screen

Mirror

Stainless steel opening porthole(s) with flyscreen

Worktop options

ELECTRICAL SYSTEMS

All 240v, 24v and 12v circuits (where applicable) protected by circuit

breakers with main electrical load control panel

Electrical sockets

Heavy duty circuit breakers

Isolating switches to all batteries

12 Volt

Batteries - 2 x 165Ah wired in parallel supplying domestic services

Battery - 1 x 135Ah exclusively for port engine starting

Battery - 1 x 135Ah exclusively for starboard engine starting

240 Volt

Polarity check and earth leakage protection system

Power points throughout the boat (fed from shore power or generator)

Regulated charger 50amp

Shore power supply

ENGINES AND STERNGEAR

Access through cockpit hatch

Aerodynamically designed engine air intakes

Automatic engine bay fi re extinguisher system with warnings at both helms

Automatic bilge pumps for forward bilge, engine bay and rudder bay with manual 'on' override

Balanced rudders

Cathodic protection

Dripless shaft seals

Electric engine bay fan(s)

Electro-hydraulic trim tabs with cathodic protection

Engine bay lights

Engine room soundproofing

Exhaust overheat warning system

High capacity emergency manual bilge pump system with changeover valves

Manganese bronze 'P' brackets

Manganese bronze propellers contra-rotating

Sea cocks on all inlets/outlets below waterline

Stainless steel alloy shafts

Water cooled engine exhausts with silencers and side outlets

FUEL SYSTEM

Changeover valve system to permit each engine to draw fuel from, and return fuel to, either tank

Emergency fuel shut-off valves accessible via cable-operated remote control

High capacity water separators and fuel fi Iters Individual fillers and vents to port and starboard Marine grade alloy fuel tanks x 2

FRESHWATER SYSTEM

Automatic, pressurised supply Calorifier hot water system Water tank(s)

GAS

All gas burners fitted with flame failure protection devices Copper, polythene sheathed supply pipe Single tail feed with regulator and gas low system test meter Stowage for gas bottle in self-venting cockpit locker

EXTRAS

- NEW Stern Thruster with Remote Control
- Bow Thruster
- Eberspacher Heating System
- Lewmar Anchor
- Holding Tank
- Raymarine E120 GPS/ Chartplotter to Upper & Lower Helm
- Raymarine Autopilot ST6001
- Electric Lewmar Windlass
- Flybridge Wetbar with Griddle
- Saloon Conversion to Double Berth
- Teak Laid Bathing Platform
- Teak Laid Cockpit
- Cherrywood Throughout
- Flat Screen TV to Saloon
- JVC Sound System

OWNER COMMENTS

Antifouled and polished August 2023 Part-exchange considered

DISCLAIMER

Whilst every care has been taken in the preparation of these particulars, their accuracy is not guaranteed. They are intended as guides only and as such do not constitute a part of any contract. A prospective purchaser is advised to check all particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted, which if conducted by us shall not imply any liability on our part. All dimensions, performance figures & range notes given are approximate and should be treated as a guide only. Pictures may be from a brochure or of a similar vessel. Engine hours shown are correct at the time of preparation of the particulars, but will vary with usage. Availability of specific vessels may be subject to change, we therefore recommend you call for confirmation. N.B. Ribs, dinghies, water toys and out-board engines are not included in the sale unless other wise stated.
