FAIRLINE SQUADRON 74

YINWA

EUR 1,050,000 INC TAX

MAIN CHARACTERISTICS

Year:	2005
Hull Colours:	White
Lying:	Kiel, Germany
Engine(s):	2 x 1550 HP Diesel CAT C30
Hours:	1578
Length:	22.70 m / 74' 6"
Beam:	5.700 m / 18' 8"
Draft:	1.610 m / 5' 3"
Weight:	70 tons
Fuel Capacity:	5892 litres / 1295 gallons
Water Capacity:	1140 litres / 251 gallons
Accommodation:	8 berths in 4 cabins

STANDARD SPECIFICATION

STANDARD SPECIFICATION

- Access to port and starboard side decks from lower helm
- Adjustable/Tilt steering wheel
- Aft cockpit enclosure covers
- Air conditioning/reverse cycle heating system to main accommodation
- Anchor winch (hydraulic)
- Bose DVD/CD/Radio home cinema surround sound system to saloon
- Bowthruster 25hp
- Calibrated anchor chain
- Dining table with Burr Elm features
- Dripless shaft seals
- Dual station VHF Radio telephone incorporating intercom between lower and upper helms
- Echosounder and speedometer/distance log with sea water temperature read out
- Electrically adjusted backrest dining seating/sunbed
- Electro-hydraulic trim tabs with cathodic protection
- Full width Master Stateroom with triple portrait portholes port and starboard

Fully equipped flybridge bar
Glendinning cable masters
GPS/radar/chartplotter interfaced with autopilot
Hot and cold water transom shower
Large walk-in shower with body jets
LCD televisions in saloon and all main cabins
Onan generator 2 x 17.5kW
Open-plan galley with powered screen Remote control searchlight
Remote control, concealed, telescopic hydraulic passerelle
Repeat flybridge engine instrumentation, controls and electronics
Self-stowing through-hull Delta anchor
Sideboard with icemaker
Stainless Steel pantograph windscreen wipers
Teak-laid bathing platform
Teak-laid bulwarks
Teak-laid floor throughout self-draining cockpit
Teak-laid oversize flybridge steps
Twin independent Recaro helm and co-pilot seats with electric adjustment

HULLFORM AND CONSTRUCTION

All gel coat and glass fibre hand laid with unidirectional, biaxial and woven rovings
Bowthruster (hydraulic) 25hp
Deep V forward; 18deg deadrise aft- Designed by Bernard Olesinski and the Fairline design team
Full length moulded spray deflector
Hull/deck join bolted and bonded
Integrally moulded engine bearers
Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat
The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation -The integral bathing platform gives the boat a longer waterline length for improved performance, particularly at reduced power settings
The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draught and improving efficiency by reducing the shaft angle
Transverse and longitudinal strengthening stringers throughout hull

DECK

12v weatherproof socket
Anchor chain locker
Anchor winch controls
Calibrated anchor chain

Concealed fuel fillers port and starboard
Deck wash points fore and aft
External covers to windscreen
Fairlead(s) aft
Fender stowage
Full set of IMCO navigation lights
Grab rail on each transom wing
Hot and cold water transom shower
Hydraulic anchor winch
Recessed self-draining area on foredeck with coachroof sun cushions and adjustable backrests
Remote control searchlight with controls at both helm stations
Removable Stainless Steel guardrails for bathing platform
Riding light
Rigid swim ladder to bathing platform
Rubbing stroke
Self-stowing through-hull Delta anchor
Stainless Steel bow fairlead(s) and mooring drums aft
Stainless Steel bow, spring and stern cleats
Stainless Steel handrails
Stainless Steel hull protection plate under bow
Stainless Steel pantograph windscreen wipers
Stainless Steel pulpit
Teak-laid bathing platform
Teak-laid side deck
Teak-laid bulwarks
Transom gate from cockpit to integral bathing platform
Twin horns (new)
Water fillers to port and starboard
Windscreen washers

FLYBRIDGE AND SECOND HELM POSITION

12v weatherproof socket
Access via stairway from wheelhouse and by teak stairway from cockpit
Acrylic dodgers
Adjustable/Tilt steering wheel
Bilge pump switches with integral operating warning lights and audible alarms
Bowthruster controls
Companion seating to helm
New Windscreen for Helm
Dedicated dining seating with large teak table Drinks holders
Echosounder and speedometer/distance log repeaters with sea water temperature read out
Electrically adjusted backrest creating extended sunbathing deck
Electronic single-lever throttle and gear controls Ensign and staff

04/29/2024

FAIRLINE SQUADRON 74 YINWA

Flybridge bar with new refrigerator, new icemaker, sink and electronic griddle

Helm position indicator- High speed magnetic compass- Instrument covers- Large sunbathing area aft with non-absorbent foam filled cushions

Liferaft stowage

Open scanner radar to mast

Powered steering

Remote anchor winch controls

Repeat autopilot controls

Repeat engine bay fire extinguisher controls

Repeat flybridge engine instrumentation, controls and electronics/ 3 x

New Raymarine Monitors

Repeat radar/chartplotter display

Searchlight controls

Stainless Steel handrails

Teak-laid flybridge deck

Teak-laid oversize flybridge steps

Trim tab controls

Twin radar masts with down-lighting

Two forward facing helm seats

VHF Radio telephone incorporating intercom to main helm

Wind-deflecting screen

AFT COCKPIT/TRANSOM

Access hatch to engine room

Aft cockpit enclosure covers

Bathing platform lights

Blue LED lighting to cockpit

Dockside television and phone inlets

Emergency boat shutdown switch

Emergency fuel shutoff valves

Fender stowage

Low-level lights and lights under flybridge overhang

Manual bilge pump access

Remote control, concealed, telescopic hydraulic passerelle

Service corridor accessed via cockpit and transom door

Solid teak handrail surround

Stainless Steel framed sliding door to main saloon - Teak-laid floor throughout self-draining cockpit

Various cockpit lockers

Warp lockers

MAIN HELM POSITION

12v socket

Access from helm to deck via 2 electrically locking side doors

Adjustable air conditioning vents
Adjustable tilt steering wheel
Bilge pump switches with integral operating warning lights and audible alarms
Bowthruster controls
Centralised vacuum cleaning system for lower and upper decks- Chart stowage
Chartable and light- Controls for engine bay fire extinguisher system
Domestic water management system
Drinks holders
Echosounder and speedometer/distance log repeater with sea water temperature read out
Electronic single-lever throttle and gear controls
Engine diagnostic system - 2 New Raymarine Monitors
Foghorn with siren and loudhailer facility
Full engine instrumentation including; tachometers, oil pressure gauges, temperature gauges and battery condition indicators, audible alarms and engine hour meters
GPS/radar/chartplotter interfaced with autopilot
Helm position indicator
High speed magnetic compass
Powered steering
Red night-light illumination to helm
Remote anchor winch controls
Searchlight controls
Teak and Holly floor
Trim tab controls
Twin independent Recaro helm and co-pilot seats with electric adjustment
VHF Radio telephone incorporating intercom to upper helm

PORT HELM STATION

Granite counter
Extending chart table
Helm extension for additional equipment installations
Seat base stowage
Timber flooring

MAIN SALOON

Drinks cabinet complete with crystal glasses
Full-height standing headroom
LED ceiling lights
Luxurious saloon appointments including 30" LCD television and state-of-the-art Bose surround sound DVD/CD/Radio built into a tailor-made entertainment centre
Overhead handrail

04/29/2024

FAIRLINE SQUADRON 74 YINWA

Reading chair(s) (new upholstery)
Sideboard with icemaker
Sofa (new upholstery)
Table lamps
Wall-mounted bar unit

DINING ROOM

Dining privacy from helm provided by panelled partition
Dining table with Burr Elm features
Freestanding chairs x 6
LED ceiling lights
Serving window from galley

GALLEY

Crockery stowage
Cutlery drawer
Dedicated freezer below countertop
Dedicated refrigerator below countertop
Dishwasher
Electric ceramic/halogen hob (4 burner)
Microwave-oven
Extractor fan
LED ceiling lights
Lacquered cupboard doors
Open-plan galley with powered screen
Sinks x 2 with hot and cold mixer tap
Teak and Holly floor
Trash compactor
Worktop lights

MASTER STATEROOM

Access to en suite shower room/heads
Bedside stowage
Drawer(s) under bed
Full width Master Stateroom with triple portrait portholes port and starboard
Full-height standing headroom
LED ceiling lights
Home Cinema Surround Sound CD/Radio/DVD
Kingsize double bed with interior sprung mattress
LCD television 15"
Mirror
Reading lights
Recessed bookshelves
Sofa (new upholstery)
Twin bedside tables

04/29/2024

FAIRLINE SQUADRON 74 YINWA

Vanity unit/bureau with chair, 240v power, telephone and inverter points

MASTER EN SUITE DRESSING ROOM

Built-in security safe
LED ceiling lights
Hanging rails and drawers to optimise space
Mirror

MASTER EN SUITE BATHROOM

220v/240v shaving point
Bidet
Extractor fan
Freshwater vacuum flush toilets (new pumps)
Full set of bathroom fittings
Full standing height shower stalls with solid teak gratings and hinged glass door
LED ceiling lights
Large walk-in shower with solid teak gratings and body-jets
Mirror
Twin portrait portholes with flyscreen
Vanity unit with twin pedestal glass washbasins

FORWARD STATEROOM

Access to en suite shower room/heads
Bedside stowage
Built-in security safe
CD/Radio
LED ceiling lights
Kingsize double bed with interior sprung mattress
Large hatch with flyscreen and concealed blinds to foredeck
LCD television 13"
Mid-level port and starboard lockers
Mirror
Reading lights
Stainless Steel opening porthole(s) with flyscreen
Wardrobe(s)

STARBOARD GUEST CABIN

Bedside stowage
CD/Radio
Drawer(s) under bed
Full length berths x 2 with interior sprung mattresses
LED ceiling lights
LCD television 13"

Lockers (mid-level)
Mirror
Reading lights
Stainless Steel opening porthole(s) with flyscreen
Wardrobe(s)

PORT GUEST CABIN

Access to en suite shower room/heads
Bedside stowage
CD/Radio
Drawer(s) under bed
Full length berths x 2 with interior sprung mattresses
LED ceiling lights
LCD television 13"
Lockers (mid-level)
Mirror
Reading lights
Stainless Steel opening porthole(s) with flyscreen
Wardrobe(s)

FORWARD EN SUITE & GUEST BATHROOM

220v/240v shaving point
Extractor fan
Freshwater vacuum flush toilets (new seals)
Full set of bathroom fittings
Full standing height shower stalls with solid teak gratings, seat and hinged glass door
Mirror
Skylight
Stainless Steel opening porthole(s) with flyscreen
Vanity unit with pedestal washbasin(s)

AFT CREW CABINS

Clothes washer/dryer- En suite extractor fan
Full length berths x 2 (new mattresses)
Hanging locker (half-height)
En suite shower/heads facility (new water and waste pumps)

AIR CONDITIONING

Adjustable air vents to all upper-level living accommodation
Air conditioning unit to aft cabins
Air conditioning/reverse cycle heating system to main accommodation including screen demist to lower helm
Digital controls to all air handlers

HYDRAULIC SYSTEM

Centralised hydraulic system (garage door rams/tender winch/passerelle/transom door/bowthruster and windlass)

ELECTRICAL SYSTEMS

All 12v equipment supplied from separate battery
All 240v, 24v and 12v circuits (where applicable) protected by circuit breakers with main electrical load control panel
Emergency boat shutdown switch
Heavy duty circuit breakers
Isolating switches to all batteries
Remotely and manually operated isolating switches for all batteries
12 Volt:
Battery charger 60 amp
Battery 1 x 120Ah (new)
24 Volt:
24v-12v 20 amp converter (new victron)
Battery isolating switches located in service corridor
Emergency battery coupling system permits each engine to start from opposite engine battery bank
Batteries 4 x 210Ah capacity for domestic services (new)
Batteries 4 x 200Ah exclusively for starting each engine (new 2021)
240 Volt:
240v power points throughout the boat (fed from shore power or generator)
Battery charger 75 amp (new victron)
Glendinning cable masters with twin 63 amp x 100ft shoreline sockets stowed in drums
Isolation transformers 2 x 18KvA each with soft starts
Onan generator 2 x 17.5kW with through-hull exhausts- Regulated charger 100 amp with 2 x 3 amp slave to port and starboard batteries
5000w invertors (new victron)

ENGINES AND STERNGEAR

Access through cockpit floor hatches to engine bay and service corridor
All Sterngear, engines, fuel tank(s) etc. electrically bonded
Automatic engine bay fire extinguisher system with warnings at both helms
Automatic high capacity bilge pumps for forward bilge, engine bay and rudder bay
Cathodic protection
Dripless shaft seals
Electro-hydraulic trim tabs with cathodic protection
Engine bay lights

Engine room soundproofing
Exhaust overheat warning system
High capacity emergency manual bilge pump system with changeover valves
High corrosion-resistant TEMET shafts
Large diameter contra-rotating Manganese Bronze propellers (new 2024)
Lever sea cocks on all inlets and outlets located less than 15cm above the waterline
Manganese Bronze 'P' brackets and rudders
Reverso oil change system
Water cooled through-hull engine silencers

FUEL SYSTEM

Fuel filler splash stop and anti-foaming device
Fuel sight gauges
High capacity water separators and fuel filters with audible alarms at lower helm
Individual fillers and vents to port and starboard
Integrated cross-over fuel system
Marine grade alloy fuel tanks x 2
Self-balancing fuel filling system

FRESHWATER SYSTEM

Automatic, pressurised supply with manual 'OFF' override switch at lower helm
Calorifier hot water system
Shore power immersion heater 2kW 240v - Water tanks

WASTE WATER SYSTEM

Automatic tank discharge with manual override
Holding tank for aft cabin (8 gallon/10 US gallon 37L capacity)
Holding tanks x 2(85 gallon/100 US gallon (385L) total capacity)

EXTRAS

- Air Conditioning Throughout
- 2 x 17.5kW Onan Generators
- Extended Hydraulic Bathing Platform
- Besenzoni Hydraulic Flybridge Crane
- Hydraulic Passarelle
- New Dockmate (for both engines and thrusters)
- SidePower Bow & Stern Thruster with Remote Control
- Upgraded Raymarine Navigation Equipment to Both Helms
- Upgraded Raymarine Engine Monitoring System to Both Helms
- New Carpet Throughout
- New Upholstery to Saloon & Master Cabin
- Flybridge Upholstery Renewed 2019
- Cockpit Upholstery Renewed 2019
- New Teak to Deck
- Teak Laid Bathing Platform
- Teak Laid Cockpit
- Teak Laid Flybridge
- Teak Laid Side Decks
- New Ice Maker & Fridge to Flybridge
- New Flybridge Cover
- Flybridge Bimini Top
- KVH Trackvision
- Dishwasher

OWNER COMMENTS

New Exhaust Insulation, New Consumer Batteries, Renewed Hydraulic Pressure Hoses, New Propellers, New antifouling, ready for the upcoming season, Regular maintenance and care during ownership

DISCLAIMER

Whilst every care has been taken in the preparation of these particulars, their accuracy is not guaranteed. They are intended as guides only and as such do not constitute a part of any contract. A prospective purchaser is advised to check all particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted, which if conducted by us shall not imply any liability on our part. All dimensions, performance figures & range notes given are approximate and should be treated as a guide only. Pictures may be from a brochure or of a similar vessel. Engine hours shown are correct at the time of preparation of the particulars, but will vary with usage. Availability of specific vessels may be subject to change, we therefore recommend you call for confirmation. N.B. Ribs, dinghies, water toys and out-board engines are not included in the sale unless other wise stated.
