**FAIRLINE SQUADRON 74**

**YINWA**

EUR 899,950 INC TAX

MAIN CHARACTERISTICS

Year:	2005
Hull Colours:	White
Lying:	Kiel, Germany
Engine(s):	2 x 1550 HP Diesel CAT C30
Hours:	1578
Length:	22.70 m / 74' 6"
Beam:	5.700 m / 18' 8"
Draft:	1.610 m / 5' 3"
Weight:	70 tons
Fuel Capacity:	5892 litres / 1295 gallons
Water Capacity:	1140 litres / 251 gallons
Accommodation:	8 berths in 4 cabins

STANDARD SPECIFICATION

STANDARD SPECIFICATION

- Access to port and starboard side decks from lower helm
- Adjustable/Tilt steering wheel
- Aft cockpit enclosure covers
- Air conditioning/reverse cycle heating system to main accommodation
- Anchor winch (hydraulic)
- Bose DVD/CD/Radio home cinema surround sound system to saloon
- Bowthruster 25hp
- Calibrated anchor chain
- Dining table with Burr Elm features
- Dripless shaft seals
- Dual station VHF Radio telephone incorporating intercom between lower and upper helms
- Echosounder and speedometer/distance log with sea water temperature read out
- Electrically adjusted backrest dining seating/sunbed
- Electro-hydraulic trim tabs with cathodic protection
- Full width Master Stateroom with triple portrait portholes port and starboard

Fully equipped flybridge bar  
Glendinning cable masters  
GPS/radar/chartplotter interfaced with autopilot  
Hot and cold water transom shower  
Large walk-in shower with body jets  
LCD televisions in saloon and all main cabins  
Onan generator 2 x 17.5kW  
Open-plan galley with powered screen Remote control searchlight  
Remote control, concealed, telescopic hydraulic passerelle  
Repeat flybridge engine instrumentation, controls and electronics  
Self-stowing through-hull Delta anchor  
Sideboard with icemaker  
Stainless Steel pantograph windscreen wipers  
Teak-laid bathing platform  
Teak-laid bulwarks  
Teak-laid floor throughout self-draining cockpit  
Teak-laid oversize flybridge steps  
Twin independent Recaro helm and co-pilot seats with electric adjustment

## **HULLFORM AND CONSTRUCTION**

All gel coat and glass fibre hand laid with unidirectional, biaxial and woven rovings  
Bowthruster (hydraulic) 25hp  
Deep V forward; 18deg deadrise aft- Designed by Bernard Olesinski and the Fairline design team  
Full length moulded spray deflector  
Hull/deck join bolted and bonded  
Integrally moulded engine bearers  
Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat  
The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation -The integral bathing platform gives the boat a longer waterline length for improved performance, particularly at reduced power settings  
The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draught and improving efficiency by reducing the shaft angle  
Transverse and longitudinal strengthening stringers throughout hull

## **DECK**

12v weatherproof socket  
Anchor chain locker  
Anchor winch controls  
Calibrated anchor chain

Concealed fuel fillers port and starboard  
Deck wash points fore and aft  
External covers to windscreen  
Fairlead(s) aft  
Fender stowage  
Full set of IMCO navigation lights  
Grab rail on each transom wing  
Hot and cold water transom shower  
Hydraulic anchor winch  
Recessed self-draining area on foredeck with coachroof sun cushions and adjustable backrests  
Remote control searchlight with controls at both helm stations  
Removable Stainless Steel guardrails for bathing platform  
Riding light  
Rigid swim ladder to bathing platform  
Rubbing stroke  
Self-stowing through-hull Delta anchor  
Stainless Steel bow fairlead(s) and mooring drums aft  
Stainless Steel bow, spring and stern cleats  
Stainless Steel handrails  
Stainless Steel hull protection plate under bow  
Stainless Steel pantograph windscreen wipers  
Stainless Steel pulpit  
Teak-laid bathing platform  
Teak-laid side deck  
Teak-laid bulwarks  
Transom gate from cockpit to integral bathing platform  
Twin horns (new)  
Water fillers to port and starboard  
Windscreen washers

## **FLYBRIDGE AND SECOND HELM POSITION**

12v weatherproof socket  
Access via stairway from wheelhouse and by teak stairway from cockpit  
Acrylic dodgers  
Adjustable/Tilt steering wheel  
Bilge pump switches with integral operating warning lights and audible alarms  
Bowthruster controls  
Companion seating to helm  
New Windscreen for Helm  
Dedicated dining seating with large teak table Drinks holders  
Echosounder and speedometer/distance log repeaters with sea water temperature read out  
Electrically adjusted backrest creating extended sunbathing deck  
Electronic single-lever throttle and gear controls Ensign and staff

05/17/2024

## FAIRLINE SQUADRON 74 YINWA

Flybridge bar with new refrigerator, new icemaker, sink and electronic griddle

Helm position indicator- High speed magnetic compass- Instrument covers- Large sunbathing area aft with non-absorbent foam filled cushions

Liferaft stowage

Open scanner radar to mast

Powered steering

Remote anchor winch controls

Repeat autopilot controls

Repeat engine bay fire extinguisher controls

Repeat flybridge engine instrumentation, controls and electronics/ 3 x

New Raymarine Monitors

Repeat radar/chartplotter display

Searchlight controls

Stainless Steel handrails

Teak-laid flybridge deck

Teak-laid oversize flybridge steps

Trim tab controls

Twin radar masts with down-lighting

Two forward facing helm seats

VHF Radio telephone incorporating intercom to main helm

Wind-deflecting screen

### **AFT COCKPIT/TRANSOM**

Access hatch to engine room

Aft cockpit enclosure covers

Bathing platform lights

Blue LED lighting to cockpit

Dockside television and phone inlets

Emergency boat shutdown switch

Emergency fuel shutoff valves

Fender stowage

Low-level lights and lights under flybridge overhang

Manual bilge pump access

Remote control, concealed, telescopic hydraulic passerelle

Service corridor accessed via cockpit and transom door

Solid teak handrail surround

Stainless Steel framed sliding door to main saloon - Teak-laid floor throughout self-draining cockpit

Various cockpit lockers

Warp lockers

### **MAIN HELM POSITION**

12v socket

Access from helm to deck via 2 electrically locking side doors

Adjustable air conditioning vents  
Adjustable tilt steering wheel  
Bilge pump switches with integral operating warning lights and audible alarms  
Bowthruster controls  
Centralised vacuum cleaning system for lower and upper decks- Chart stowage  
Chartable and light- Controls for engine bay fire extinguisher system  
Domestic water management system  
Drinks holders  
Echosounder and speedometer/distance log repeater with sea water temperature read out  
Electronic single-lever throttle and gear controls  
Engine diagnostic system - 2 New Raymarine Monitors  
Foghorn with siren and loudhailer facility  
Full engine instrumentation including; tachometers, oil pressure gauges, temperature gauges and battery condition indicators, audible alarms and engine hour meters  
GPS/radar/chartplotter interfaced with autopilot  
Helm position indicator  
High speed magnetic compass  
Powered steering  
Red night-light illumination to helm  
Remote anchor winch controls  
Searchlight controls  
Teak and Holly floor  
Trim tab controls  
Twin independent Recaro helm and co-pilot seats with electric adjustment  
VHF Radio telephone incorporating intercom to upper helm

## **PORT HELM STATION**

Granite counter  
Extending chart table  
Helm extension for additional equipment installations  
Seat base stowage  
Timber flooring

## **MAIN SALOON**

Drinks cabinet complete with crystal glasses  
Full-height standing headroom  
LED ceiling lights  
Luxurious saloon appointments including 30" LCD television and state-of-the-art Bose surround sound DVD/CD/Radio built into a tailor-made entertainment centre  
Overhead handrail

05/17/2024

FAIRLINE SQUADRON 74 YINWA

Reading chair(s) (new upholstery)  
Sideboard with icemaker  
Sofa (new upholstery)  
Table lamps  
Wall-mounted bar unit

## **DINING ROOM**

Dining privacy from helm provided by panelled partition  
Dining table with Burr Elm features  
Freestanding chairs x 6  
LED ceiling lights  
Serving window from galley

## **GALLEY**

Crockery stowage  
Cutlery drawer  
Dedicated freezer below countertop  
Dedicated refrigerator below countertop  
Dishwasher  
Electric ceramic/halogen hob (4 burner)  
Microwave-oven  
Extractor fan  
LED ceiling lights  
Lacquered cupboard doors  
Open-plan galley with powered screen  
Sinks x 2 with hot and cold mixer tap  
Teak and Holly floor  
Trash compactor  
Worktop lights

## **MASTER STATEROOM**

Access to en suite shower room/heads  
Bedside stowage  
Drawer(s) under bed  
Full width Master Stateroom with triple portrait portholes port and starboard  
Full-height standing headroom  
LED ceiling lights  
Home Cinema Surround Sound CD/Radio/DVD  
Kingsize double bed with interior sprung mattress  
LCD television 15"  
Mirror  
Reading lights  
Recessed bookshelves  
Sofa (new upholstery)  
Twin bedside tables

05/17/2024

FAIRLINE SQUADRON 74 YINWA

Vanity unit/bureau with chair, 240v power, telephone and inverter points

### **MASTER EN SUITE DRESSING ROOM**

Built-in security safe  
LED ceiling lights  
Hanging rails and drawers to optimise space  
Mirror

### **MASTER EN SUITE BATHROOM**

220v/240v shaving point  
Bidet  
Extractor fan  
Freshwater vacuum flush toilets (new pumps)  
Full set of bathroom fittings  
Full standing height shower stalls with solid teak gratings and hinged glass door  
LED ceiling lights  
Large walk-in shower with solid teak gratings and body-jets  
Mirror  
Twin portrait portholes with flyscreen  
Vanity unit with twin pedestal glass washbasins

### **FORWARD STATEROOM**

Access to en suite shower room/heads  
Bedside stowage  
Built-in security safe  
CD/Radio  
LED ceiling lights  
Kingsize double bed with interior sprung mattress  
Large hatch with flyscreen and concealed blinds to foredeck  
LCD television 13"  
Mid-level port and starboard lockers  
Mirror  
Reading lights  
Stainless Steel opening porthole(s) with flyscreen  
Wardrobe(s)

### **STARBOARD GUEST CABIN**

Bedside stowage  
CD/Radio  
Drawer(s) under bed  
Full length berths x 2 with interior sprung mattresses  
LED ceiling lights  
LCD television 13"

Lockers (mid-level)  
Mirror  
Reading lights  
Stainless Steel opening porthole(s) with flyscreen  
Wardrobe(s)

### **PORT GUEST CABIN**

Access to en suite shower room/heads  
Bedside stowage  
CD/Radio  
Drawer(s) under bed  
Full length berths x 2 with interior sprung mattresses  
LED ceiling lights  
LCD television 13"  
Lockers (mid-level)  
Mirror  
Reading lights  
Stainless Steel opening porthole(s) with flyscreen  
Wardrobe(s)

### **FORWARD EN SUITE & GUEST BATHROOM**

220v/240v shaving point  
Extractor fan  
Freshwater vacuum flush toilets (new seals)  
Full set of bathroom fittings  
Full standing height shower stalls with solid teak gratings, seat and hinged glass door  
Mirror  
Skylight  
Stainless Steel opening porthole(s) with flyscreen  
Vanity unit with pedestal washbasin(s)

### **AFT CREW CABINS**

Clothes washer/dryer- En suite extractor fan  
Full length berths x 2 (new mattresses)  
Hanging locker (half-height)  
En suite shower/heads facility (new water and waste pumps)

### **AIR CONDITIONING**

Adjustable air vents to all upper-level living accommodation  
Air conditioning unit to aft cabins  
Air conditioning/reverse cycle heating system to main accommodation including screen demist to lower helm  
Digital controls to all air handlers

## **HYDRAULIC SYSTEM**

Centralised hydraulic system (garage door rams/tender winch/passerelle/transom door/bowthruster and windlass)

## **ELECTRICAL SYSTEMS**

All 12v equipment supplied from separate battery  
All 240v, 24v and 12v circuits (where applicable) protected by circuit breakers with main electrical load control panel  
Emergency boat shutdown switch  
Heavy duty circuit breakers  
Isolating switches to all batteries  
Remotely and manually operated isolating switches for all batteries  
12 Volt:  
Battery charger 60 amp  
Battery 1 x 120Ah (new)  
24 Volt:  
24v-12v 20 amp converter (new victron)  
Battery isolating switches located in service corridor  
Emergency battery coupling system permits each engine to start from opposite engine battery bank  
Batteries 4 x 210Ah capacity for domestic services (new)  
Batteries 4 x 200Ah exclusively for starting each engine (new 2021)  
240 Volt:  
240v power points throughout the boat (fed from shore power or generator)  
Battery charger 75 amp (new victron)  
Glendinning cable masters with twin 63 amp x 100ft shoreline sockets stowed in drums  
Isolation transformers 2 x 18KvA each with soft starts  
Onan generator 2 x 17.5kW with through-hull exhausts- Regulated charger 100 amp with 2 x 3 amp slave to port and starboard batteries  
5000w invertors (new victron)

## **ENGINES AND STERNGEAR**

Access through cockpit floor hatches to engine bay and service corridor  
All Sterngear, engines, fuel tank(s) etc. electrically bonded  
Automatic engine bay fire extinguisher system with warnings at both helms  
Automatic high capacity bilge pumps for forward bilge, engine bay and rudder bay  
Cathodic protection  
Dripless shaft seals  
Electro-hydraulic trim tabs with cathodic protection  
Engine bay lights

05/17/2024

## FAIRLINE SQUADRON 74 YINWA

Engine room soundproofing  
Exhaust overheat warning system  
High capacity emergency manual bilge pump system with changeover valves  
High corrosion-resistant TEMET shafts  
Large diameter contra-rotating Manganese Bronze propellers (new 2024)  
Lever sea cocks on all inlets and outlets located less than 15cm above the waterline  
Manganese Bronze 'P' brackets and rudders  
Reverso oil change system  
Water cooled through-hull engine silencers

### **FUEL SYSTEM**

Fuel filler splash stop and anti-foaming device  
Fuel sight gauges  
High capacity water separators and fuel filters with audible alarms at lower helm  
Individual fillers and vents to port and starboard  
Integrated cross-over fuel system  
Marine grade alloy fuel tanks x 2  
Self-balancing fuel filling system

### **FRESHWATER SYSTEM**

Automatic, pressurised supply with manual 'OFF' override switch at lower helm  
Calorifier hot water system  
Shore power immersion heater 2kW 240v - Water tanks

### **WASTE WATER SYSTEM**

Automatic tank discharge with manual override  
Holding tank for aft cabin (8 gallon/10 US gallon 37L capacity)  
Holding tanks x 2(85 gallon/100 US gallon (385L) total capacity)

**EXTRAS**

- Air Conditioning Throughout
- 2 x 17.5kW Onan Generators
- Extended Hydraulic Bathing Platform
- Besenzoni Hydraulic Flybridge Crane
- Hydraulic Passarelle
- New Dockmate (for both engines and thrusters)
- SidePower Bow & Stern Thruster with Remote Control
- Upgraded Raymarine Navigation Equipment to Both Helms
- Upgraded Raymarine Engine Monitoring System to Both Helms
- New Carpet Throughout
- New Upholstery to Saloon & Master Cabin
- Flybridge Upholstery Renewed 2019
- Cockpit Upholstery Renewed 2019
- New Teak to Deck
- Teak Laid Bathing Platform
- Teak Laid Cockpit
- Teak Laid Flybridge
- Teak Laid Side Decks
- New Ice Maker & Fridge to Flybridge
- New Flybridge Cover
- Flybridge Bimini Top
- KVH Trackvision
- Dishwasher

**OWNER COMMENTS**

New Exhaust Insulation, New Consumer Batteries, Renewed Hydraulic Pressure Hoses, New Propellers, New antifouling, ready for the upcoming season, Regular maintenance and care during ownership

## DISCLAIMER

Whilst every care has been taken in the preparation of these particulars, their accuracy is not guaranteed. They are intended as guides only and as such do not constitute a part of any contract. A prospective purchaser is advised to check all particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted, which if conducted by us shall not imply any liability on our part. All dimensions, performance figures & range notes given are approximate and should be treated as a guide only. Pictures may be from a brochure or of a similar vessel. Engine hours shown are correct at the time of preparation of the particulars, but will vary with usage. Availability of specific vessels may be subject to change, we therefore recommend you call for confirmation. N.B. Ribs, dinghies, water toys and out-board engines are not included in the sale unless other wise stated.
